

Development of an Aeroville at Blaise Diagne International Airport in Diass

Intervention Zone	Diass, Mbour, Thies
Description of the Project	PUD and VRD as part of the development in the Aéroville within the Blaise Diagne International Airport in Diass. The Aéroville of AIBD SA aims to be a modern airport city, a showcase of our economic dynamism.
Expected impact	<ul style="list-style-type: none"> ▪ Diversify AIBD SA's sources of income through better valuation of the airport's land leverage ▪ improve the passenger experience by making available on the square a range of complementary services for passengers in transit as well as the flight crew of airlines operating at
