

FII SÉNÉGAL™ 2025

CICAD - DIAMNIADIO, SENEGAL

07- 08 OCTOBER 2025

**« CONNECTING OPPORTUNITIES,
BUILDING THE FUTURE »**

At a time of major economic, social, technological, and ecological transitions, Senegal is strongly reaffirming its ambition to become a hub of stability, trust, and shared prosperity on the African continent.

«FII SENEGAL 2025» IS MUCH MORE THAN A FORUM:

It embodies a sovereign, bold, and confident vision of development based on innovation, local transformation, social justice, and fair cooperation. By welcoming the world to the heart of our nation, we are choosing openness and confidence in our own capabilities, while affirming our determination to build a robust, inclusive, and competitive economy—one that meets the aspirations of our youth and the needs of our regions.

The forum's theme, «Connecting Opportunities, Building the Future,» fully resonates with our national trajectory. It reflects our commitment to creating bridges between talent, ideas, resources, and markets to co-construct sustainable solutions in the service of progress.

I invite investors, public and private partners, financial institutions, project leaders, and civil society actors to fully engage in this historic momentum.

Let us turn every commitment into a lever for impact, and every partnership into a pillar of transformation for a sovereign, united, and prosperous Senegal.

**«Welcome to a transforming Senegal.
Welcome to FII Senegal 2025.»**

**His Excellency Bassirou Diomaye Diakhar Faye
President of the Republic of Senegal**

GUEST OF HONOR

SAUDI ARABIA

Saudi Arabia's selection as the guest country of honor for the Invest in Senegal Forum 2025 reflects the depth and vitality of the relationship between our two nations.

Since the establishment of diplomatic relations in 1964, Senegal and the **Kingdom of Saudi Arabia** have built strong ties based on political, religious, and economic affinities. This cooperation has resulted in significant investments from the Saudi Fund for Development in key sectors such as infrastructure, energy, health, and education.

Today, this relationship is growing stronger, with ambitious prospects ahead. Saudi Arabia plans to invest **\$41 billion** in Sub-Saharan Africa over the next ten years—an initiative that opens new opportunities for Senegal, particularly in agriculture, energy, tourism, and Islamic finance.

The Invest in Senegal Forum 2025 thus provides a strategic platform to realize these shared ambitions and strengthen bilateral partnerships.

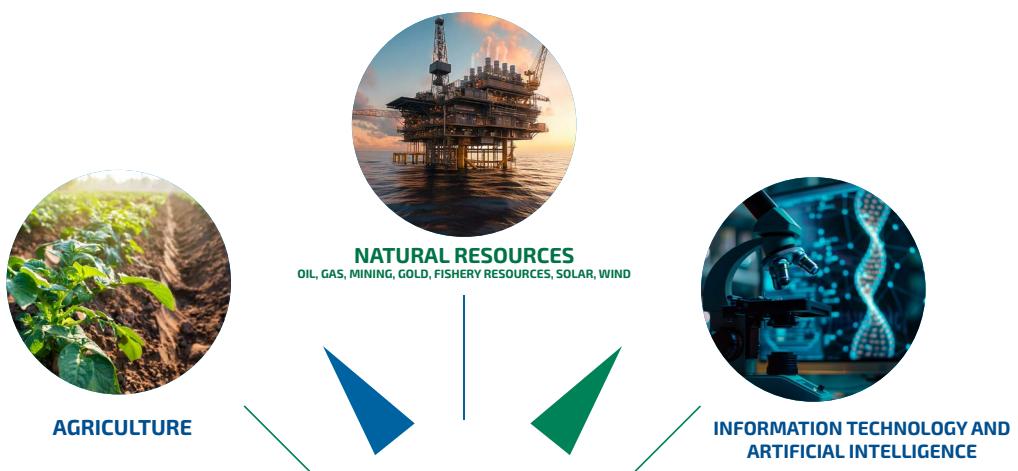

*By welcoming **Saudi Arabia** as the guest country of honor, Senegal reaffirms its commitment to diversifying its partnerships and embracing collaborations that promote sustainable growth, in line with its Vision 2050.*
